About the Project

Multiplying Entrepreneurship through Coaching - Building a sustainable support structure for start-up companies mainly from production, services, IT and crafts.

The objective of the project is to create a sustainable structure for developing entrepreneurial competences for SME with less than 5 years seniority, from various sectors, including production, crafts, services or ICT and for continuing support through trained coaches.

New training Workshops – Coming soon!

As part of the European project MultiEntCoach, two workshops will take place between 6 to 10 of May (Romania) and 13 to 18 of May (Cyprus). These workshops will take place in Brasov – Romania and Nicosia – Cyprus aiming to train managers and company’s owners to face new challenges while managing their companies. These training sessions are targeted to young entrepreneurs running businesses with less than 5 years.

How we support our training sessions?

The partners involved in the MultiEntCoach Project prepared a set of learning materials and strategies to involve entrepreneurs and give them an unique learning experience.

Where it will take place?

Training sessions will take place in Romania and Cyprus.

The first one will be in BRASOV, Romania between 6th and 10th of May and prevents a set of training lectures but also outdoor activities with a rich contact with real business world, to motivate entrepreneurs and managers. They are planned several visits during these 5 days: a visit to ICEBERG Consulting, a Business Support organization and a visit to an important Romanian business, ELMAS, among others.

The NICOSIA, Cyprus agenda has also some outdoor activities to enrich the experience of their trainees: a visit to IdeaCy, an incubator and accelerator Business Support Organisation and to the library of the University of Cyprus. The participants will also visit Gravity Ventures (Incubator). The training in Cyprus will take place between 13rd and 18th of May.

The partners and the team are ready to receive all entrepreneurs!

Time to remember the testimonials of our latest workshops

“It was a memorable experience, and I have learned a lot of exercises and new soft skills and I am excited about the idea of becoming a mentor.”

Stephani Theophanous - Cyprus

“The contents learnt helped me identify the right mix of training techniques that need to be delivered to trainees, in order to guide them towards developing their skills and competencies.”

Elina Spiliotakopoulou - Cyprus

“The training helped me to deeply understand how to introduce in a training strategy elements of mentoring and of coaching for the benefit of the trainees.”

Gratiela Garcea - Romania

“It was a very useful learning experience related to new methods for facilitating the development of soft entrepreneurial skills.”

Manuela Tirtalas - Romania

“The training for coaches was very useful to teach us some strategies to involve and mentor those who want to start a business or is in an early stage of this process.”

Adalberto Barata - Portugal

“The contents acquired helped me to better plan the training for the students, making them more flexible and gave me a series of different techniques that helped me to better define the training course.”

João Sotomayor - Portugal
